

white butterfly reflection service

Acknowledging the loss of children during pregnancy or infancy.

7TH MAY - 7 AM
DELFIN HOUSE, MARKET SQUARE
235 VARSITY PARADE, VARSITY LAKES

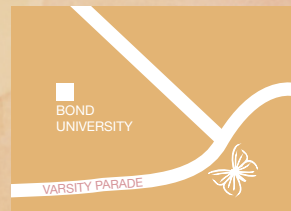

white butterfly reflection
service

White Butterfly Reflection Service gathers individuals and families who have lost children during a pregnancy or infancy.

This is an opportunity for men, women and children to acknowledge all the real emotions that may arise from losing a child, within a supportive, creative and personal environment.

Many people use this service for healing and closure, while others will create an annual memorial to the children they have lost. All are welcome.
